Consignor Pick-up for Unsold items

Sunday, November 18th, 2:00 pm - 3:00 pm

Important Consignor Information

If you would like to **DISCOUNT** your items to 50% off during the Sunday Sale, please place a **RED DOT** on the Upper Right Hand Corner of each tag.

If you would like to **DONATE** your item to a local charity if it does not sell, place a **D** on the Lower Right Hand Corner of each tag.

Inspect your merchandise:

Clothing should be clean. All items must be in excellent condition. Please no broken zippers, holes, tears or excessive wear and tear. Examine each item as if you were buying it.

Skis, skates & equipment should be cleaned up

Hangers required for all clothes. All clothes must be hanging with hangers all facing the same direction (hook pointing LEFT as you face the garment). Hang all pants by the waist with the front showing. Use a pant hanger with clips, or use safety pins to attach the pant to the top sides of the hanger so it doesn't slide off.

Tag your Items:

Use one tag per item on heavy cardstock.

Apparel - Using safety pins (not straight pins), use one tag per item. Pin your tags to the RIGHT front shoulder of each shirt and the upper RIGHT pant leg of each pair of pants.

Skates/Boots/Blades - Staple our inventory tag to a tag with a string, or string our tag through the laces. Make sure left & right boots/skates are affixed to one another.

Skis/Boards/Equipment - USE MASKING TAPE, BLUE PAINTERS TAPE OR ELECTRICAL TAPE to affix your tag. Other tape may damage merchandise

Mittens/Gloves - or anything in a pair - should be attached together with a safety pin.

Create your Inventory List:

Fill out the necessary personal information at the top of the Consignor Inventory Sheet

Using the spreadsheet provided, create a list of all items being consigned, including a brief description of each item, size and price. Indicate if items are being discounted on Sunday and/or donated at the end of the event.
